- Scroll down the page to **Find a location** choose **PEMBERTON** and click on the **Book online** box to open
- Scroll down passed Book an Appointment to Immunization
- click on the first box "Flu Immunization - Seniors &
- you will see a 'pop up' **Heads Up!** click **OK**

At the top right of the new screen you will see the date Fri.Oct 30 with two blue boxes highlighted.

- Choose the time slot you prefer and click to open.
- A list of available appointment times will appear. They are grouped for Nurse 1, 2, 3 and 4 so, if the time you want isn't available with nurse 1 or 2, check and see if it is for nurse 3 or 4. Once you have found the time you'd like, select it by clicking and a Pop Up will show up. 'You're not done yet'

If you are booking for more than one person, click on book more and repeat the process. Once you have booked the appointments for yourself or a 'group' you need to **register** by clicking on Complete Booking.

You will need an email address and will be required to create a password.

To log in follow the directions and you can use your email address as the User or one of your social media accounts. Once you have completed the Username, click NEXT and finish filling out the basic information, Name and Contact phone, it doesn't have to be a mobile number.

When you are signed in you will see the appointment you made and have the ability to cancel if you made a mistake. You do NOT need to complete the reason for your visit. If you had to cancel, you can rebook by clicking on Book and Appointment green box.
